## Education

Bachelor of Technology in Computer Science and Engineering, IIT (ISM) Dhanbad	8.13	2021 - 2025
Class XII (CBSE) – Science, Jawahar Navodaya Vidyalaya Bundi, Rajasthan	91.2%	2020 - 2021
Class X (CBSE) – Jawahar Navodaya Vidyalaya Chatra, Jharkhand	90.2%	2018 - 2019

## Projects

### EliteBazaar: An E-commerce Website

[Github](#)

[Link](#)

- An e-commerce website providing users a seamless and user-friendly online shopping experience.
- Created user-friendly features for product browsing, cart management, search functionality, and secure purchases.
- Implemented a post-purchase product review system, allowing users to comment on products after purchasing.
- Utilized JWT (JSON Web Tokens) and cookies for secure user authentication.
- Implemented responsive frontend design with React.js, CSS, and Material UI.
- Managed backend operations and database using Node.js, Express, and MongoDB.

### Write-Stream: A Blog Website

[Github](#)

[Link](#)

- A user-friendly web app that allows individuals to create accounts easily, share engaging blog posts, and upload images to enrich their content.
- Implemented features allowing users to read/write their blog, read and comment on other user blogs.
- Users can create a user account with a unique username and start blogging in different categories.
- Developed image uploading experience using Multer and multi-grid storage.
- Integrated secure and easy authentication using JWT.

## Skills

Languages	C, C++ , Python, TypeScript, SQL
Web Development	HTML, CSS, JavaScript, Reactjs, Bootstrap, Node.js, Redux, Express, NextJs
Databases	MongoDB, MySQL, MariaDB
Concepts	Data Structures and Algorithms, Object Oriented Programming, Operating Systems, Software Engineering, Computer Network

## Competitive Programming

Platform	Profile link	Problems Solved	Rating
Leetcode	<a href="#">pradip_coder</a>	225	1695
Codeforces	<a href="#">Pradip_ram</a>	235	1365
CodeChef	<a href="#">P_radip</a>	124	1747
Hackerrank	<a href="#">Pradipramnawa</a>	205	5 star

## Achievements

- Achieved a max rating of 1747 in CodeChef, 1365 in Codeforces, and 1695 in Leetcode.
- Solved over 500+ problems on data structure and algorithms across various platforms.
- Secured Global Rank 115 in Codechef Starter 88 Division 3.
- Secured Global Rank 1298 in Leetcode Weekly Contest 342.
- HackerRank-5\* coding on C++, 5\* coding on problem-solving, 5\* coding on C.
- Achieved All India rank 316 in code-for-freedom organized by coding studio certificate.
